

SURGICAL INSTRUMENTS

It is almost 1 decades ago when I decided to establish our family experience of half century into modern style of business of Surgical Instruments manufacturing, and I remember his great idea and for vision thought of business, was to hit not only into only local market, but soon after establishment, we found lot of clients from different countries and this business start spreading in the world within very short time. And day-by-day & years-by-year our Customers Portfolio became heavy to heaviest.

Nowadays, I feel proud overwhelmed at how far we have come just four decades after. Today **Formed Surgical Instruments** is not only a leading company in the field it is one of the most reputed names in the global market.

Our team contains experts for each and every field of manufacturing, Quality Check, Packing, Shipping and clients are also not limited to any specific part /or culture of the world.

I really feel proud to be head of such talented team

Malik Adnan
Director / Proprietor

Formed Surgical Instruments

A team of professional experts joined hands to form **Formed Surgical Instruments** with the sole aim to export high Quality surgical Instruments, **Specialist in Needle Holder Forceps with Tungsten carbide.**

Our products were advertised throughout the world by the help of catalogues, Internet, Exhibitions & personal visits to different countries of the world. These efforts bore fruit and we managed to establish our credibility and began exporting our products.

Formed Surgical Instruments achieved tremendous success by virtue of constant dedicated efforts, devotion to duty and maintenance of quality control. This quality management system was properly implemented and is being successfully executed at all production stages, which indeed a result of constant professional and vigorous team effort undertaken by **Formed Surgical Instruments** most responsible, professional and dedicated staff members.

Its always been our endeavor to maintain a high standard of production, quality control and customer satisfaction. We finally offer our sincere regard and gratitude to all our valued clients for patronizing **Formed Surgical Instruments** and helping
